Statement on corona virus issue - status week 13/2020

Dear Ladies and Gentlemen,

according to an official order of the Tunisian president and prime minister of Saturday, March 21, 2020, the company Kaschke Components Tunisie s.a.r.l. has been requested to close all its production premises in Zaghouan, Menzel Bouzelfa and Soliman immediately effective from March 22 until April 4, 2020. This is for the protection of the employees against an infection with the corona virus.

As company we are forced politically as well as legally to implement this order instantaneously.

Kaschke Components GmbH tries, with the aid of all lawful means, to negotiate a special arrangement for our company. But at the present moment we cannot announce a result of these ongoing negotiations.

In this extraordinary situation we would like to ask you for your understanding that through these measures our reactivity will be significantly limited and that it will lead to massive delays in processing and executing of activities at all levels of our business.

The overall situation is extremely tense – we will keep you updated!

Yours faithfully
